

Accession number: 1992-24/39f/aa

Description: Sheet of paper, watermarked with a seated Britannia in a cartouche under a crown, with the letters 'GR' under a separate crown on the other leaf, originally folded in half. On one half of one side, a plan of rooms, one with a bay window. No indication of which house it relates to, but probably Hampton.

Transcript: N/A

Notes: see 1992-224/39f/k which bears a superficial resemblance to it, being a partial floor plan with room with a bay window. However, the adjoining rooms and stairs are not the same, the papers are not the same and the drawing styles are different.
